PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye injury. Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing of dust and contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does no blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back into the treated area of the lawn or garden, will help to prevent runoff to water bodies or drainage systems.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on plants being grown for sale or other commercial use, for commercial seed production or for research purposes. For use on plants intended for aesthetic purposes or climatic modification and being grown in ornamental gardens or parks, or on golf courses or lawns.

USE PRECAUTIONS:
Product contains ferrous sulfate which will stain paint, concrete sidewalks and cart paths. Remove spillage immediately by sweeping or washing off sidewalks, driveways or other concrete or painted surfaces. Clean hard surfaces after application.

NORMAL MOSS INFESTATIONS

For normal control of moss, apply at the rate of 4 pounds per 1,000 square feet. A 20 pound bag covers 5,000 square feet, properly applied.

HEAVY MOSS INFESTATIONS

For heavy infestations of moss, apply at the rate of 8 pounds per 1,000 square feet. A 20 pound bag covers 2,500 square feet, properly applied.

SPREADER SETTINGS*

Note: The spreader settings listed above are approximate. Spreader condition, rate of walk and humidity can all vary the application rate. Broadcast (rotary) spreaders such as the Whirlybird are dependent upon the rate of walking and turning speed of the broadcast unit. Carefully calculate the area to be fertilized and make certain the proper number of pounds is applied to the area. Spreaders will vary and must be checked for accuracy.

_____ Length (feet)
x_____ Width (feet)
=_____ Total square feet
-_____ Non-lawn areas
=_____ Total square feet coverage you need

To determine how much you need, multiply the length of your lawn by its width. This equals your total square footage. Deduct any non-lawn areas (house, gardens, walkways, etc.).

Rotary Spreader Path: For best results, apply in a circular path starting on the outside and working toward the center. A little overlap of product will ensure complete coverage.

Drop Spreader Path: First, apply two border strips along the edge of each end of the lawn, overlapping slightly and shutting off the spreader before turning as you reach the edge of the border strips.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.
PESTICIDE STORAGE: Store this product only in its original container in a dry, cool, secured storage area.
CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container.
If empty: Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
Spill: In case of spill, sweep up product and dispose of material according to "Disposal" directions listed above.

CONDITIONS OF SALE AND WARRANTY

Seller warrants that this product consists of the ingredients specified and is reasonably fit for use as directed on the label. No one is authorized to make any other warranty, guarantee, or direction concerning this product. Because the time, place, rate of application and other conditions of use are beyond the Seller's control, and, to the extent consistent with applicable law, Seller's liability from the handling, storage and use of this product is limited to replacement of product or refund of purchase price.
